ABOUT ME

I am a psychotherapist, writer, speaker, founder and host of REDHEADREVEAL podcast, private practice owner of Pinkerton Psychotherapy, and the author of the book, The Good Rabbit. As a change agent, I help people reveal their connectedness within their relationships and sexuality understanding root causes of beliefs and behaviors that hold them back from success. I assist them in returning to the person they are born to be before they were limited by trauma.

HIGHLIGHTS

COACHING

I offer a whole approach to emotional wellness. When you are my client, I am your champion. I provide my clients an environment full of trust, commitment and compassion. I want you to thrive in life and I will ride it out with you to get there.

SPEAKER

My speaking style is woven with my ability to connect with my audience and create a space to promote self-awareness and offer an opportunity for growth. I share my perceptions on relationships, emotional health, parenting, intimacy/sex and social musings - with an emphasis on personal purpose and progress.

WORKSHOPS

I develop workshop curriculum that is tailored to the needs of my audience. My interactive workshops are equipped with the tools needed to produce growth in any facet of life.

AUTHOR

In my book, *The Good Rabbit*, I detail my husband's journey with sobriety and resilience.
